File Type PDF 100 Question Test On Macbeth Answers

Enter the number of questions/points/problems in the student's work (test, quiz, exam - anything). Assume you've prepared the test with 18 questions. Type in the number the student got wrong. Instead - if you prefer - you can enter the number of gained points. Let's say our exemplary student failed to answer three questions. Here we go!

Macbeth is among the best-known of William Shakespeare's plays, and is his shortest tragedy, believed to have been written between 1603 and 1606. It is frequently performed at both amateur and professional levels, and has been adapted for opera, film, books, stage and screen. Often regarded as archetypal, the play tells of the dangers of the lust for power and the betrayal of friends. For the plot Shakespeare drew loosely on the historical account of King Macbeth of Scotland by Raphael Holinshed and that by the Scottish philosopher Hector Boece. There are many superstitions centred on the belief the play is somehow "cursed", and many actors will not mention the name of the play aloud, referring to it instead as "The Scottish play

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

When an essay is due and dreaded exams loom, this title offers students what they need to succeed. It provides chapter-by-chapter analysis, explanations of key themes, motifs, and symbols, a review quiz and essay topics. It is suitable for late-night studying and paper writing.

In this new translation of Voltaire's *Candide*, distinguished translator Burton Raffel captures the French novel's irreverent spirit and offers a vivid, contemporary version of the 250-year-old text. Raffel re-creates Voltaire's stylistic brilliance by casting the novel into an English idiom that, had Voltaire been a twenty-first-century American, he might himself have employed. The translation is immediate and unencumbered, and for the first time makes Voltaire the satirist a wicked pleasure for English-speaking readers. *Candide* recounts the fantastically improbable travels, adventures, and misfortunes of the young Candide, his beloved Cungegonde, and his devoutly optimistic tutor Pangloss. Endowed at the start with good fortune and every prospect for happiness and success, the characters nevertheless encounter every conceivable misfortune. Voltaire's philosophical tale, in part an ironic attack on the optimistic thinking of such figures as Gottfried Leibniz and Alexander Pope, has proved enormously influential over the years. In a general introduction to this volume, historian Johnson Kent Wright places *Candide* in the contexts of Voltaire's life and work and the Age of Enlightenment.
