Understanding the End Times was never intended to be a book describing world conditions to predict the closeness of the appearing of Jesus for His Church. Many books have come and

File Type PDF Bible Studies Endtime Ministries With

Irvin Baxter written with the purpose of comparing world events to scriptures about end times and Jesus' return. However, this book was not; it was designed to provide a Bible understanding of God's plan for the ages by weaving

File Type PDF Bible Studies Endtime Ministries With

Irvin Baxter together the prophecies of the Old and New Testaments. It was also designed to describe the situations and events that will exist on earth at the time of the culmination of all things. For these reasons this book
