Parties Summary

Chapter Study Outline. Introduction. Political parties are teams of politicians, activists, and voters whose goal is to win control of government. To do so, parties perform essential tasks of recruiting and nominating candidates, garnering the resources needed to run campaigns, and pursuing a policy agenda that can help them appeal to voters.

SUMMARY Political parties are groups of individuals organized for the purpose of electing candidates to public office. The Constitution contains no mention of parties, and the Framers regarded them as undesirable or even dangerous. Nonetheless, the federal structure and electoral institutions they created give ample incentives for party building.

Chapter 12: Political Parties Flashcards | Quizlet

At the most basic level, a political party is an organized effort by office holders, candidates, activists, and voters to pursue their common interests by gaining and exercising power through the electoral process. Notice how pragmatic this concept of party is

Chapter 12: Political Parties. I Roots of the American Party System.
Political party—an organized effort by office holders, candidates,
activists, and voters to pursue their common interests by gaining and
exercising power through the electoral process. The goal is to win
office so as to exercise power. Political parties are not interest
groups.

Chapter 12: Political Parties

Today political parties continue to greatly influence American
politics: They shape elections, define political disputes, and
organize Congress. Our political leaders generally come from either
the Republican or Democratic Party.
