inner strength you already have within you.

Renato Rosaldo's new prose poetry collection shares his experiences and those of his group of twelve Mexican American Tucson High School friends known as the Chasers as they grew up, graduated, and fell out of touch. Derived from interviews with the Chasers and three other friends conducted after their fiftieth high school reunion, Rosaldo's poems present a chorus of distinct voices and perspectives that convey the realities of Chicano life on the borderlands from the 1950s to the present.

A beautiful new edition—the first in nearly twenty years—of the

Get Free Chasers Of The Light Poems From Typewriter Series Tyler Knott Gregson

work of Wallace Stevens, a founding father of contemporary American poetry, with a dazzling range of work that is at once emotional and intellectual. As John N. Serio reminds us in his elegant introduction, Stevens has written more persuasively than any other poet about the significance of poetry itself in everyday life:

“ The imagination—frequently synonymous with the act of the mind, or poetry, for Stevens—is what gives life its savor, its sanction, its sacred quality. ” This rich and thorough selection—published in the 130th anniversary year of Stevens ’ s birth—carries us from the explosion of *Harmonium* in 1923 to the maturity of *The Auroras of Autumn* in 1950 and the magisterial *Collected Poems* published by Knopf in 1954. To be drawn in once more by “ *The Emperor of Ice-Cream*, ” “ *Sunday Morning*, ” “ *The Idea of Order at Key West*, ” “ *Notes Toward a Supreme Fiction*, ” to name only a few,

Get Free Chasers Of The Light Poems From Typewriter Series Tyler Knott Gregson

is to experience again the mystery of a poet who calls us to a higher music and to a deeper understanding of our vast and inarticulate interior world. This essential volume for all readers of poetry reminds us of Stevens ' s nearly unparalleled contribution to the art form and his unending ability to puzzle, fascinate, and delight us.
