Democracy At Work - YouTube

Democracy at Work is a manifesto for this time, calling for a democratic alternative based on workers directing their own workplaces. Written by America's leading socialist economist, Richard Wolff, the book offers an alternative viewpoint to the views of mainstream economists and pundits.

Democracy at Work: Amazon.co.uk: Richard Wolff ...

Democracy at work instills a minimum of accountability on the part of the management—a minimum of oversight over how (and why) certain decisions are taken—and provides a push towards equal treatment. As a result, companies will be more likely to take into account salary ratios as well as environmental, social and other concerns.

It ' s time to talk about democracy at work – Stan De ...

Freedom, democracy and social justice are core values of the European Union. Democracy is important; not only on the political but also on the economic level. More Democracy at Work is part of a broader approach for a more Social Europe which is urgently needed. Workers ' participation should however represent a key question in the 21st century.

More democracy at work | ETUC

More democracy in the workplace can go a long way towards making workers more engaged in their work so that they feel like what they do at work matters. This is important because Gallup reports that American companies lose \$300 billion annually because of disengaged workers, which is an astronomical loss.

American Democracy Was Never Supposed to Work – BillMoyers.com

Direct democracy or pure democracy is a form of democracy in which people decide on policy initiatives directly. This differs from the majority of currently established democracies, which are representative democracies.The theory and practice of direct democracy and participation as its common characteristic was the core of work of many theorists, philosophers, politicians, and social critics ...

Direct democracy - Wikipedia

Workplace democracy is generally understood as the application of democratic practices, such as voting, debate and participatory decision-making systems, to the workplace. There are many ways to do this, some much more ambitious than others. At one extreme lie small firms and non-profits that have embraced pure, direct democracy.

What is Workplace Democracy? – Center for Learning in Action

Workplace democracy has been a big field of study in areas such as industrial and organisational psychology and management science. Part of the workplace democracy movement grew out of ideas in the 1960s that top-down decision-making by a select few led to unengaged employees and potentially biased decisions being made.
