Dragon Magick VS Draconian Magick *Draconian Measures Gaven 3 Jc*

Draconian Measures is the third book in the Gaven series (I assume the last too) but is actually a prequel to the other two books. It can be read easily as a stand alone or in any combination with the two Gavin books. It tells the story of Vlar's parents –really Vlar's father and his partner- and their oft mentioned difficult courtship.

Gaven grew up a bastard without a father...until the day his noble-born sire came to claim him,  
destroying his home and killing everyone around him. But Gaven's suffering has only just begun.  
Because his father has given him to a legendary warrior named Vlar to train him, both in battle and in

## Access Free Draconian Measures Gaven 3 Jc Owens

bed. Both are terrifying to Gaven, as the worlds of warfare and of men loving men seem equally alien to him. Vlar, one of the infamous Finnarian race known for drinking blood, is as ruthless and powerful as he is unforgettable. Now Gaven faces a future without hope, his former life lost, given to be bonded to a frightening stranger... Vlar is a being of legend. He is powerful and utterly without mercy. Gaven has no choice but to submit to him. But when the chance comes to flee, Gaven takes it. Only Vlar is not a man who ever gives up what is his. There is a hidden side to Vlar, the opposite of the merciless warrior so deadly with a blade. This Vlar is surprisingly caring to Gaven, training him for bonding...and that care upends everything Gaven thought he knew of the warrior. Gaven's old life has been destroyed, but Vlar may just make him a mate...if only he can survive until then. Reader note: Previously released. Reader discretion strongly advised: contains intense emotional elements and male male love

A soldier enslaved by the emperor who conquered him, with only one hope to save the man from madness... Jaden, a soldier sold into slavery when his country fell, survives day to day, his only wish to find his little sister and save her from the same fate. The war might be over, but the scars of those who underwent Tranaden's conquest still linger. But when he is given as tribute to the very man who conquered his country—Dersai, known as the Wolf, an emperor feared and loathed beyond Tranaden's borders—Jaden sees his last hope fading away. It is whispered that the emperor is mad, possessed, without the faintest shred of mercy. Yet, Jaden finds that the man is someone quite different among his own people, in the safety of his own world. Old hatreds die hard, but Jaden finds himself fascinated by the complex, mysterious man beneath the warrior shell. There is a darkness in Dersai, but also a chance to set things right at last. Dersai cannot afford the luxury of mercy in any form. His country, his people come first, and he will do anything to defend his borders and drive back those who seek to possess the

## Access Free Draconian Measures Gaven 3 Jc Owens

lush beauty of Tranaden. His ancestor made a pact with a demon, and ever since, each emperor must endure the possession of the demon bound to protect Tranaden at any cost. As with those before him, Dersai will eventually fall into madness, his own people forced to annihilate him, and the next emperor forced to bear the burden again. He'd never held any hope...until he met Jaden and began to believe the old prophecies might finally come true. That a mate for the wolf would come and break the cycle forever... Reader note: Expanded with new material! Contains intense emotional elements. Reader discretion advised.

Honor. Trust. Exile. Will love overcome the lies? Raised in lies and isolation, denied all knowledge of his family, Aidan awakens one day to find the manor in a state of excitement. Two foreign generals have come for him. They claim he is their long lost prince, the sole survivor of a rebellion that killed the royal family and usurped the throne of Ceratas. And he, Aidan Telan Ameris, is being escorted home to be crowned king. Naive and submissive he might be, but stupid Aidan is not. Political machinations are something he has never been exposed to, but everything about his upbringing suddenly makes sense. The long hours studying books of history, the training with pistols and swords... He'd been groomed for this moment since his earliest memories. But he knows without a doubt that he's no prince. He's nothing but a pawn in a game he can't possibly understand. When their carriage is attacked en route to Ceratas, Aidan is taken prisoner by the leader of the rebel forces. General Torin Amaldis Greyan can't help but feel for the poor young man, even if he is the enemy. And soon the heat between them grows to something neither can ignore, something that burns much hotter than warfare. But nothing is simple in the struggle for Ceratas. There are those who wish to use Aidan to destroy both Torin and his country. When both of them are captured, used against each other to break their wills, Aidan and Torin must find

the strength to trust each other in a way neither finds easy, if they're to save each other—and their country... Reader Discretion: contains male/male love and intense emotional elements Keywords: nobility, enemies to lovers, gay fantasy romance, m/m romance, capture

Can a deadly assassin hold on to a love he thought lost...? Hredeen has been exiled from his emperor's side, the only place he had found a home, friendship...love. Now after changing the course of the invasion of Bhantan, he faces an uncertain future. Unable to return to Anrodnes, he faces years of torture and isolation as his masters in the War Guild eradicate every precious memory he held of his former life with Emperor Taldan. But after meeting a rogue assassin, one who escaped from the War Guild itself, Hredeen has to make a choice. Respond to a summons by the War Guild for brutal retraining. Or take vital information back to Anrodnes, back where Emperor Taldan and Raine wait. The man he loves...and the man who is Taldan's true Chosen... Raine has done everything he can to be a good Chosen for the emperor, but he fears it is not enough. He longs for Taldan's love, yet he worries that what Taldan and Hredeen had together is deeper and more powerful than he could ever offer. Taldan is consumed by Hredeen's loss, his behavior sliding into something on the edge of darkness. Is it the magic of the Illumitae...or something even more dangerous? And what can Raine do to stop it? The loss of Hredeen leaves a hole within Taldan's heart, even though he was the one to exile the assassin. Yet he is beginning to love Raine, his Chosen, and attempts to put his entire energy into solidifying their bond. But with conspiracies, assassination threats, and unrest spreading across the lands, even that bond will be put to the test. The Illumitae holds secrets, and some of them may destroy everything he cherishes. Once, Taldan prided himself on his emotionless, logical detachment and the power of his mind. But now, the chaos within his heart is surging, and neither Raine nor Hredeen may be safe... Reader note: The

Anrodnes Chronicles is a four-book epic M/M fantasy romance!

Secrets. Rebellion. Two men drawn together by a bond that may change the land forever... Captain Andon Grazon, the poor son of a prostitute, shares a rare bond with Ceris, the only wild-born griffon in the land to bond with a human. He and Ceris are part of the flight corp at Farfall, where he is treated like an outsider and abused by the noble-born riders at the base. When his only friend is killed on patrol, the loss has Andon spiraling down into darkness. The misery of his life leaves him cold and withdrawn, unable to interact with others, and isolated from everyone except Ceris. But after Captain Daren Phalnir and his wing of riders arrive to replace Farfall's lost griffon wing, the powerful and charismatic man brings complications Andon does not need. He doesn't trust the man, no matter how respectful he might seem. Andon has many secrets, and the closer Daren comes to them, the greater the danger to Andon...and to his heart. After Captain Daren Phalnir arrives at Farfall with Gretnel, his grif, he remains wary. The border base's reputation is anything but pleasant—a place where griffons are considered mere property of the throne, little more than animals. Then he meets a legend: Ceris, the only wilds born griffon to imprint on a man, and her rider, Andon Grazon. Andon is a compelling mystery, keeping Daren at arm's length, remaining hostile, aggressive, and very, very alone. At least until Ceris and Gretnel mate...and discover they may share a true bond, the rarest in existence. Andon's isolation stirs Daren's curiosity and his compassion. He begins to uncover a dark secret, with Andon and Ceris at the center—a secret that may just reach all the way to the throne... Reader note: contains intense emotional elements. Reader Discretion Advised

Diplomatic marriages between two members of different planets certainly aren't unheard of-but for

## Access Free Draconian Measures Gaven 3 Jc Owens

Prince Mikos of Tygeria and Col. Ryan Donnelly of Earth, it might just be a fate worse than death. The union is meant to end a devastating war that has lasted for over a hundred and fifty years, but when the female bride intended for the fierce, sexy prince runs away, her handsome brother is substituted instead. Men are for mating as far as the Tygerian prince is concerned, but the colonel also happens to be Mikos's sworn enemy, not to mention being completely irritating. Ryan is horrified to learn that the Tygerians not only expect him to take the place of his sister, marry the Bloody Prince of Tygeria, and go to live with him on his mysterious planet, but they also expect him to undergo physical alteration to have the man's baby! And nobody is taking hell no for an answer. Ryan's being asked to turn his whole life upside down and the handsome Tygerian gets under his skin like nobody else. But with the fate of the universe at stake, how can he say no? Can the two enemies put aside their differences and focus on making love and not war-not to mention a baby? As a powerful love struggles to take root, can they learn to trust each other and stand together against the forces that are trying to tear them apart?

The collar would stay, for Rylis would never free Tamrin... Childhood memories of the Eth did no justice to what Rylis Tanyan would encounter in the depths of the Teeathun forest. But what he had treasured before had betrayed him, and now he must fight to escape the confines of the forest and his feelings for Tamrin, the Eth whom he'd loved long ago...

The despised white centaur may be the key to Varan's heart... Born into hatred, his odd white coat a source of disgust to his centaur tribe, Tarsus is well used to mockery and contempt. But when he's kidnapped from his high-blood family by a rival faction, he realizes his torment has only begun. Beaten and sentenced to death, he's brought before the princess Nalain, heir to the centauran throne. But rather

## Access Free Draconian Measures Gaven 3 Jc Owens

than order his execution, Nalain gives him to her brother, the general Varan, as a servant, a plaything to amuse him before the hideous white centaur's eventual, inescapable death. The huge centauran Varan is disgusted with his new servant, yet he soon begins to see the gentle soul that lies beneath the filthy, matted white hide. Even as a captive, the young centaur strives to be of service to all around him, even to those who show him nothing but contempt. Odd, given his bloodline—son to the feared and powerful Shar, whose evil has caused so much suffering for the centaurs of Varan's tribe. It's not long before Varan finds himself drawn to Tarsus in ways he never dreamed possible, and the passion that stirs between them becomes something that neither can live without. Until war comes to the centaurs, and with it rumors that Tarsus might not be the guileless servant he seems, and how everything Varan has ever known—his clan, his home, his love for Tarsus—is doomed... Keywords: centaur, gay fantasy romance, m/m romance, fantasy romance, minotaur, mythology, enemies to lovers

One cowboy in a desperate search for a home. Another in desperate need of healing... Kaien Preston has traveled thousands of miles searching for a ranch where he will be left in peace. He's still scarred by the last place he worked, where he was violently attacked by another ranch hand simply because he was gay. He never stays long in one place, and now his journey takes him to Poplar Ridge, a ranch rumored to be a haven for those who are different. He is immediately drawn to the ranch foreman, a grizzled, stoic cowboy named Taylor McLean. Things are not easy. Taylor is a man haunted by his past, and Kaien is unwilling to trust again, no matter how much he might be attracted to the cowboy. Yet, as the first tentative steps of trust lead to something more, Kaien is faced with a choice. Risk everything at a chance for love, or set out on the road again in his search for a place to belong. For years now, Taylor has been vital to the smooth operation of the ranch and good friends with the owners, Nathan and Malcolm. But

## Access Free Draconian Measures Gaven 3 Jc Owens

he's bleeding from old wounds that haven't healed—loss and betrayals in his past. When a broken soul named Kaien arrives looking for work, Taylor finds himself drawn to the quiet strength within the smaller man, whose gentle nature calls to him. He knows Kaien deserves someone better, but as hard as he fights his attraction, he can't escape it. They share so much, including a love of animals, but earning Kaien's trust is difficult, especially when Taylor isn't certain he's worthy of it. But time may be running out for them both. A cattle drive into the mountains sets in motion a disaster that will either bind them together...or leave everything they shared in pieces.

“One of the most profound and illuminating studies of this century to have been published in recent decades.”—John Gray, *New York Times Book Review* Hailed as “a magisterial critique of top-down social planning” by the *New York Times*, this essential work analyzes disasters from Russia to Tanzania to uncover why states so often fail—sometimes catastrophically—in grand efforts to engineer their society or their environment, and uncovers the conditions common to all such planning disasters. “Beautifully written, this book calls into sharp relief the nature of the world we now inhabit.”—*New Yorker* “A tour de force.”—Charles Tilly, Columbia University
