Songfacts®: Written by Edgar Winter, "Frankenstein" is one of the most famous instrumental rock songs. It got its title because of the arduous editing that went into the song; it became a monster when it was pieced together in the studio. Said Winter: "When we were editing it in the studio, back in those days when you edited something, you physically had to cut the tape and splice it back together, so it was all over the control room, draped over the backs of chairs and the couch.
