Feminising Islam in Contemporary Indonesia: The Role of ...

The past two decades of Indonesian democracy have seen the rise of a more conspicuous and expressive form of Islam, " more visible in everyday life in the form of dress and manner of speech as well as in religious observance. But there is scant evidence that expressive Islam corresponds to religious politics. It may, instead, be that expressive piety is a form of identity maintenance in the face of the complex changes associated with modernization, urbanization, and social change experienced ...

The International Graduate Students Conference on Indonesia

This book traces the powerful discourses and embodied practices through which Black Caribbean women have been imagined and produced as subjects of British liberal rule and modern freedom. It argues that in seeking to escape liberalism ' s gendered and racialised governmentalities, Black women ' s everyday self-making practices construct decolonising and feminising epistemologies of freedom.

This book examines the meaning of work for women in contemporary Indonesia. It takes a broad definition of work in order to interrogate assumptions about work and economic activity, focusing on what women themselves see as their work, which includes not only paid employment, home life and child care, but also activities surrounding ritual, healing and religious life.
