Food Guide Pyramid - MakeoverFitness
The Healthy Eating Pyramid is a simple visual guide to the types and proportion of foods that we should eat every day for good health. It contains the five core food groups, plus healthy fats, according to how much they contribute to a balanced diet based on the Australian Dietary Guidelines (2013). The layers of the Pyramid are based on the recommended food intake for 19–50 year olds according to the Australian Dietary Guidelines (2013).
