During my past 30-plus years working in the front of the house at a number of restaurants, I ' ve learned that when it comes to running a successful restaurant business, restaurant staff training is of the utmost importance. I have even written a book on the subject: The Secrets to Restaurant Management and Staff Training.

The Best Restaurant Training Manual, from an Industry Veteran

The front of the house designates all of the areas in a restaurant where customers can go. It is distinct from the back of the house, which includes the kitchen, stockrooms, and offices, and is only open to employees. While the back of house is important, the FOH is where your customers directly experience your establishment.
