The GMC line, General Motors' stab at creating a truck for the motorist, has been one of its more enduring lines, surviving in 2009 a rumored threat that it could be dropped from GM's production line. Its survival was greeted warmly by fans of the vehicle, who consider it to be a highly reliable option. However reliable a vehicle may be, it is still an undoubted fact that no

The Chevrolet and GMC B series was a series of cowed chassis that were produced by General Motors. Produced across three generations from 1965 to 2002, the model line was a variant of medium-duty trucks marketed under the Chevrolet and GMC nameplates. Initially derived from the medium-duty C/K series, later examples were derived from the GMT530 architecture. The B-series was constructed as a ...
