IDEALISM Idealism holds the belief that the role of education is to search for true ideas that are recorded in bodies of subjects/knowledge, and school is the place where discovery of ideas happens. Moreover, ideas according to this philosophical approach are the only true reality. This reality is unchanging and is mental.

## ~~PHILOSOPHICAL PERSPECTIVES IN EDUCATION~~

Both idealism and realism, as philosophical terms, deal with the relationship between our minds and the world. Idealism is the view that things exist only as ideas, with no reality as material objects outside of the mind. Realism is the view that objects exist in themselves, independently of our consciousness of them.

Realism. Realism is a very old philosophy which dates back to as early as ancient Greece. The many interpretations of realist opinion lead to several varieties of realism.. "The most common thread of realism is what may be called the principle of thesis of independence. This thesis holds that reality, knowledge, and value exist independent of the human mind" (Ozmon & Craver, 1995, 39).
