Living in Christ has little relationship to the more commonly accepted situation of living as a Christian, or living a Christian life. Living AS a Christian means that one has accepted the tokens of Christianity, that one agrees in the divinity of Christ, that one is a member of a Christian congregation, in a largely Christian community, in a Christian nation.

The Hidden Life | My Utmost For His Highest

St. John's diary, My Life In Christ, has been called a manual of weapon training for this warfare which every Christian must fight in order to reach the heavenly homeland. In the following excerpts from this diary may be seen not only the emphasis which Saint John placed on true prayer as the greatest weapon of every Christian and his deep understanding of the human soul, but also the very practical aspect of his teaching which is of such value to Christians today.

"...A book destined to work wonders with the human soul." -Franciscan Herald Caught up in the turmoil and problems that arise daily in our contemporary society, the man who would know Christ today must seek Him in all available ways and means. MY LIFE WITH CHRIST is one such way. It is a basic book of spiritual meditations designed to guide readers toward that mental, emotional, and moral growth which is indispensable to a solid religious development. In it each of the 183 meditations is presented in a 4-R format: Read, Reflect, Review, Respond. A reading of a brief passage from the Gospel is followed by a short reflection on the incident described. This observation is then expanded and applied to daily life. The final R is a colloquy which draws the reader into deep personal union with Christ. The meditations themselves are concerned with problems of spiritual anxiety, confused ideals, impatience with oneself or others, lack of charity, envy, anger, humility, hope, interior peace, and many other perplexing human emotions and states of mind. The hallmark of Father Paome's spiritual direction is the sound common sense he uses; he manages to "hit the nail on the head" every time. His style is lucid, concise and to the point, and, perhaps most important of all, it is geared to the age in which we live. MY LIFE WITH CHRIST is an indispensable daily guide for all Catholics in search of a way to Christian perfection.

Widely proclaimed a classic work of Christian faith, Life of Christ has been hailed as the most eloquent of Fulton J. Sheen's many books. The fruit of many years of reflection, prayer, and research, it is a dramatic and moving recounting of the birth, life, Crucifixion, and Resurrection of Christ, and a passionate portrait of the God-Man, the teacher, the healer, and, most of all, the Savior, whose promise has sustained humanity for two millennia. With his customary insight and reverence, Sheen interprets the Scripture and describes Christ not only in historical perspective but also in exciting and contemporary terms -- seeing in Christ's life both modern parallels and timeless lessons. His thoughtful, probing analysis provides new insight into well-known Gospel events. An appealing blend of philosophy, history, and biblical exegesis, from the best-known and most-loved American Catholic leader of the twentieth century, Life of Christ has long been a source of inspiration and guidance. For those seeking to better understand the message of Jesus Christ, this vivid retelling of the greatest story ever lived is a must-read.

The single most important event in a person's life is the new birth. Yet, this is also one of the most neglected doctrines in the church. Many Christians would be hard-pressed to describe exactly what the new birth is, let alone what it means to the rest of their walk with God. What happens when we are born again? Does everything in our lives change immediately? Is it just a kind of spiritual do-over, a chance to get it right this time? What happens when we fail? Does it mean we weren't really born again to begin with? With a pastor's heart and a professor's insight, Steven Lawson carefully examines the encounter between Jesus and Nicodemus found in John 3 to uncover the nature of this spiritual rebirth. He shows you the necessity of the new birth, how God changes our hearts through it, and what follows after, from baptism and involvement in a local church to handling doubts and setbacks. This book is perfect for believers who want to understand what happened when they believed and for non-Christians who are curious about what a new life in Christ is all about.

This charismatic Russian pastor brought mental, physical and spiritual healing to thousands during the late 19th and early 20th century. Selected passages focus on the purpose and manner of prayer, sin and forgiveness, spiritual life and spiritual warfare, and the last things.

• Background on spiritual practices for Episcopalians • Noted spiritual director shares wisdom from Anglican tradition With its great heritage from English mystics, the Episcopal Church has been "spiritual" since before it was trendy, and modern Episcopalians have been in the forefront of exploring practices beyond Anglican boundaries. Yet, perhaps only rarely do they grasp the implications of the theology embedded in these practices or in the liturgies of the 1979 Book of Common Prayer, which has shaped Episcopalians in this country with its emphasis on baptismal spirituality and the centrality of the Eucharist. Julia Gatta wants to change that with her new book, Life in Christ. Applying her years of experience as pastor and spiritual director combined with her study of the spiritual wisdom of the past, she explores common Christian practices and their underlying theology through an Episcopal lens. In the tradition of Esther de Waal, Martin Smith, and Martin Thornton, with particular reference to scripture, The Book of Common Prayer, and the wisdom of the Christian spiritual tradition, she illuminates methods readers may already be practicing and provides insight and guidance to ones that may be new to them.
