Drawing on psychoanalysis, literature, and personal experience, Necessary Losses is a philosophy for understanding and accepting life's inevitabilities. In Necessary Losses, Judith Viorst turns her considerable talents to a serious and far-reaching subject: how we grow and change through the losses that are a certain and necessary part of life. She argues persuasively that through the loss of our mothers' protection, the loss of the impossible expectations we bring to relationships, the loss ...

Necessary Losses by Viorst, Judith (ebook)
The losses necessary for growth, health and maturity begin with the loss of our oneness with our birth mother, who feeds, protects and loves us unconditionally. Other losses include the movement through the stages of life, when we lose our definitions of who we thought we were, and move on to create new ones.
