Golden Age Of American Cinema

Celebrity gossip meets history in this compulsively readable collection from BuzzFeed reporter Anne Helen Peterson. This guide to film stars and their deepest secrets is sure to top your list for movie gifts and appeal to fans of classic cinema and hollywood history alike. Believe it or not, America's fascination with celebrity culture was thriving well before the days of TMZ, Cardi B, Kanye's tweets, and the #metoo allegations that have gripped Hollywood. And the stars of yesteryear? They weren't always the saints that we make them out to be. BuzzFeed's Anne Helen Petersen, author of Too Fat, Too Slutty, Too Loud, is here to set the record straight. Pulling little-known gems from the archives of film history, Petersen

Read Online Scandals Of Clic Hollywood Deviance

reveals eyebrow-raising information, including:

- The smear campaign against the original It Girl, Clara Bow, started by her best friend
- The heartbreaking story of Montgomery Clift's rapid rise to fame, the car accident that destroyed his face, and the "long suicide" that followed
- Fatty Arbuckle's descent from Hollywood royalty, fueled by allegations of a boozy orgy turned violent assault
- Why Mae West was arrested and jailed for "indecent charges"
- And much more

Part biography, part cultural history, these stories cover the stuff that films are made of: love, sex, drugs, illegitimate children, illicit affairs, and botched cover-ups. But it's not all just tawdry gossip in the pages of this book. The stories are all contextualized within the boundaries of film, cultural, political, and gender history, making for a read that will inform as it entertains. Based on Petersen's beloved

Hollywood is sensationalism made smart.

Humphrey Bogart said of Confidential:
“Everybody reads it but they say the cook
brought it into the house” . . . Tom Wolfe
called it “the most scandalous scandal
magazine in the history of the world” . . .
Time defined it as “a cheesecake of
innuendo, detraction, and plain smut . . .
dig up one sensational ‘fact,’ embroider it
for 1,500 to 2,000 words. If the subject
thinks of suing, he may quickly realize
that the fact is true, even if the embroidery
is not.” Here is the never-before-told tale
of Confidential magazine, America’s first
tabloid, which forever changed our notion
of privacy, our image of ourselves, and the
practice of journalism in America. The
magazine came out every two months, was
printed on pulp paper, and cost a quarter.

Its pages were filled with racy stories, sex scandals, and political exposés. It offered advice about the dangers of cigarettes and advocated various medical remedies. Its circulation, at the height of its popularity, was three million. It was first published in 1952 and took the country by storm.

Readers loved its lurid red-and-yellow covers; its sensational stories filled with innuendo and titillating details; its articles that went far beyond most movie magazines, like Photoplay and Modern Screen, and told the real stories such trade publications as Variety and the Hollywood Reporter couldn't, since they, and the movie magazines, were financially dependent on—or controlled by—the Hollywood studios. In Confidential's pages, homespun America was revealed as it really was: our most sacrosanct movie stars and heroes were exposed as wife beaters (Bing Crosby), homosexuals

(Rock Hudson and Liberace), neglectful mothers (Rita Hayworth), sex obsessives (June Allyson, the cutie with the page boy and Peter Pan collar), mistresses of the rich and dangerous (Kim Novak, lover of Ramfis Trujillo, playboy son of the Dominican Republic dictator).

Confidential's alliterative headlines told of tawny temptresses (black women passing for white), pinko partisans (liberals), lisping lads (homosexuals) . . . and promised its readers what the newspapers wouldn't reveal: "The Real Reason for Marilyn Monroe's Divorce" . . . How "James Dean Knew He Had a Date with Death" . . . The magazine's style, success, and methods ultimately gave birth to the National Enquirer, Star, People, E!, Access Hollywood, and TMZ . . . We see the two men at the magazine's center: its founder and owner, Robert Harrison, a Lithuanian Jew from New York's Lower

explosive ingredients that reflected the America of its time, as the country struggled to reconcile Hollywood's blissful fantasy of American life with the daunting nightmare of the nuclear age . . .

"Hollywood is a place where they'll pay you a thousand dollars for a kiss and fifty cents for your soul." – Marilyn Monroe

It is over 100 years since Hollywood became the centre of American cinema and, while it has always presented itself as a place of glamour and home to the beautiful and talented, from its very creation there was a darker side to Tinseltown. Film-makers didn't just move to southern California for its sunny weather, they went West to evade the patent laws restricting the use of movie cameras. From its earliest days, Hollywood, the home of fantasy, created a hothouse of excess – too much money, too much adulation, too much expectation and

too much ego. Some actors would trade sex in the, often vain, hope of career advancement, mobsters muscled in on the unions and extorted the studios, while the accountants appear to be among Hollywood's most creative people, managing to ensure that even the Star Wars films haven't yet shown a profit. But while stars have always been indulged, once their moment in the limelight has passed, their fall can be cruel. From the setting up of the studios by the movie moguls to the corporations that run them today, from drug addictions to McCarthy-era witch-hunts to the Mob, *Dark History of Hollywood* is the story of sex and excess, murder and suicide, ambition and betrayal, and how money can make almost everyone compromise. Intensively researched and superbly entertaining, *Dark History of Hollywood* reveals that the stories behind the silver

screen are at least as gripping as many of those on it.

A Hollywood insider dishes the dirt on some of the biggest names in the film industry, including Bob Crane, Elizabeth Taylor, Robert Mitchum, Judy Garland, Errol Flynn, and Winona Ryder, to name just a few, covering thirty-two of the biggest scandals in tinseltown. Original. 10,000 first printing.

In the 1950s, Confidential magazine, America's first celebrity scandal magazine, revealed Hollywood stars' secrets, misdeeds, and transgressions in gritty, unvarnished detail. Deploying a vast network of tipsters to root out scandalous facts about the stars, including their sexual affairs, drug use, and sexuality, publisher Robert Harrison destroyed celebrities' carefully constructed images and built a

Read Online Scandals Of Clic Hollywood Deviance

media empire. Confidential became the bestselling magazine on American newsstands, surpassing Time, Life, and the Saturday Evening Post. Confidential's spectacular rise was followed by an equally spectacular fall. Stars filed multimillion dollar libel suits against the magazine, and the state of California, prodded by the film studios, prosecuted its publisher for obscenity, culminating in a famous, star-studded Los Angeles trial in 1957. The lawsuits forced Confidential to end its scandalmongering, and it stopped printing its sleazy gossip in 1958. However, the magazine's legacy lives on in our culture's obsession with gossip and celebrity scandal. Confidential's success marked the end of an era of hush-hush—of secrets, closets, and sexual taboos—and the beginning of our age of tell-all exposure.

family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.

“Petersen's gloriously bumptious, brash ode to nonconforming women suits the needs of this dark moment. Her careful examination of how we eviscerate the women who confound or threaten is crucial reading if we are ever to be better.”—Rebecca Traister, New York Times bestselling author of *All the Single Ladies* From celebrity gossip expert and BuzzFeed culture writer Anne Helen Petersen comes an accessible, analytical look at how female celebrities are pushing the boundaries of what it means to be an “acceptable” woman. You know the type: the woman who won't shut up, who's too brazen, too opinionated—too much. She's the unruly woman, and she embodies one of the most provocative and powerful forms of womanhood today. In *Too Fat, Too Slutty, Too Loud*, Anne Helen Petersen uses the lens of “unruliness” to explore the ascension of powerhouses like

Serena Williams, Hillary Clinton, Nicki Minaj, and Kim Kardashian, exploring why the public loves to love (and hate) these controversial figures. With its brisk, incisive analysis, *Too Fat, Too Slutty, Too Loud* is a conversation-starting book on what makes and breaks celebrity today. “Must-read list.”—Entertainment Weekly
Named one of Cosmopolitan’s “Books You Won’t Be Able to Put Down This Summer” Selected as one of Amazon’s “Best Books of the Month” A Refinery29 Editors’ Pick

Now the subject of the hit documentary *Scotty and the Secret History of Hollywood*, praised by *Vanity Fair* as “full of revelations” and *Entertainment Weekly* as “deliciously salacious,” *Full Service* is the remarkable true story of Scotty Bowers, the “gentleman hustler,” during the heyday of classic Hollywood. Newly

Read Online Scandals Of Clic Hollywood Deviance

discharged from the Marines after World War II, Bowers arrived in Hollywood in 1946. Young, charismatic, and strikingly handsome, he quickly caught the eye of many of the town's stars and starlets. He began sleeping with some himself, and connecting others with his coterie of young, attractive, and sexually free-spirited friends. His own lovers included Edith Piaf, Spencer Tracy, Vivien Leigh, Cary Grant, and the abdicated King of England Edward VIII, and he arranged tricks or otherwise crossed paths with Tennessee Williams, Charles Laughton, Vincent Price, Katharine Hepburn, Rita Hayworth, Errol Flynn, Gloria Swanson, Noël Coward, Mae West, James Dean, Rock Hudson and J. Edgar Hoover, to name but a few. Full Service is not only a fascinating chronicle of Hollywood's sexual underground, but also exposes the hypocrisy of the major studios, who used

Read Online Scandals Of Clic Hollywood Deviance

actors to propagate a myth of a conformist, sexually innocent America knowing full well that their stars' personal lives differed dramatically from this family-friendly mold. As revelation-filled as Hollywood Babylon, Full Service provides a lost chapter in the history of the sexual revolution and is a testament to a man who provided sex, support, and affection to countless people.
