SENTENCING FRAGMENTS Penal Reform in America, 1975-2025 ...

‘ Abolish ’ is not standard terminology for justice secretaries talking about their intentions for sentencing reform. The notion put forward in February this year, of taking a firmly established element of sentencing practice, questioning its value, and saying we should do something else instead, seems a bold

The Prison System 1 About Reform is established as the leading Westminster think tank for public service reform. We are dedicated to achieving better and smarter public services. Our mission is to set out ideas that will improve public services for all and deliver value for money.

The Prison System - Reform of prison over-use, sentencing disparity and the excessive politicisation of sentencing practice and policy. However the report does not advocate the use of US-style sentencing grids, which would excessively constrain judicial discretion. Key points The prisons
