These women who had come of age in the Fifties had been through enough and weren't going to take being treated like second-class citizens and living under a sexual double standard anymore. This is difficult stuff to read at times, knowing what life was like for women not that long ago, but it should also be inspiring, realising how far we've ...

However, social acceptance of fellatio (oral sex performed on a penis), cunnilingus (oral stimulation of a vagina), and analingus (use of the mouth and tongue to stimulate the anus) has evolved. In the United States during the 1940s and 1950s, despite the outward "squareness" exemplified in television shows like "Leave it to Beaver," the sexual revolution of the 1960s and 1970s was brewing.

Oral sex in the 50's? | Go Ask Alice!

Studies show that 70 percent of women enjoy receiving oral sex. Here are some oral sex tips to make the experience more pleasurable for women.

The Fifties (Book) | Johnson County Library | BiblioCommons

Freelance journalist Harvey (The Village Voice, etc.) half- successfully orchestrates a number of women's ``coming of age" memories of the 50's, highlighting the restrictions and penalties these mostly middle-class, bright, urban, East Coast women endured. Drawing on interviews with 92 women aged 58-68, Harvey reconstructs the sexual values that shaped women's lives—the bizarre ...

THE FIFTIES | Kirkus Reviews

In 2004, AARP surveyed 1,682 Americans aged 45 and older. The survey found, "Compared to 1999, there is ... a higher incidence of oral sex among men."Still, the trend was no match for intercourse.

Was oral sex always normal?—Slate Magazine

The 1950s were a time of dramatically narrowed choices as the decade suddenly backtracked 30 years, appropriating some of the most conservative gender roles of the century. The penalties of straying from the straight and narrow - whether that meant sex outside of marriage or espousing left-wing politics - were severe: from the dangers of an ...
