His book will stun readers unaware of the similarities between the Antichrist and the "Islamic Jesus." ## Nature Of The Beast

A highly acclaimed and fascinating examination of Islamic and biblical end-time prophecies. Discover the startling similarities between the biblical Antichrist and Islam's Messiah figure known as Imam al-Mahdi. A must read for anyone interested in Islam, Bible prophecy or the underlying spiritual factors behind many of today's current events.

Mideast Beast completes and establishes the revolutionary argument introduced in Joel Richardson's Islamic Antichrist, namely that the Antichrist will be a Muslim, whose empire will arise out of the Middle East. Whereas most students of the Bible have long held that some form of humanism or universalist religion

would catapult the Antichrist to world power, Mideast Beast: The Scriptural Case for an Islamic Antichrist

systematically proves from that the long awaited system of the Antichrist is even now before us and knocking at our door. Through a highly scholarly, theologically grounded, yet simple presentation, Richardson thoroughly corrects the objections of critics, establishing beyond a doubt, the Biblical case for an Islamic Antichrist. With large segments of the Christian missionary movement embracing a heretical method of outreach to Muslims known as "Chrislam" or "The Insider Movement", Mideast Beast cuts to the core of the matter, revealing the true nature and origins of Islam

about the End Days and the Rise of the Islamic Antichrist, whom the Muslims call Imam Madhi. In this book we will show conclusively that only Islam can fill the role of the Antichrist. You will be shown how Islam is trying to revive its Islamic Caliphate in the Middle-East, which perfectly fulfils the role of the Biblical Empire of the Beast. And also how Islam is planning to create a New Islamic World Order, through Global Jihad, which will begin with the conquering of Jerusalem. We'll compare Muslim tradition about the Last Days and Christian end time scripture, only to discover some shocking revelations, that have remained hidden until now, which will tear the veil and mystery off the end days for good. Finally you'll discover what the Real Mark of the Beast is, and how it connects to 666. Even the

"Throughout history, the largely gentile Christian Church has utterly failed to heed Paul's warnings, falling headlong into both ignorance and arrogance toward unbelieving Israel almost from the start. The horrific results of this have been seen in the long and bloody history of anti-Semitism against the Jewish people, in the profound blindness of the Church concerning

The debate among Christians continues to rage: Exactly where will the Antichrist come from? And to what religion will he belong? Over the last ten years, an increasing number of pastors and prophecy experts have abandoned their support for the

traditional "Roman Antichrist" view and are now promoting the Islamic Antichrist Theory. The Beast of the Apocalypse, they now say, will rise out of Islam-somewhere in the Middle East-and he will conquer the world with a vast army of unstoppable Muslim warriors. In support of this conjecture, proponents of the Islamic Antichrist Theory point to several pertinent facts. For example: The Bible repeatedly refers to the Antichrist by Arabic titles, such as King of Babylon, King of Tyre, the Assyrian, etc. In agreement with Revelation 20:4, Islam requires the beheading of those who will not submit to their leader's authority. The Greek letters for 666-according to some experts-actually stand for: "In the name of Allah, we will make war." Yet despite all these "facts," the Bible clearly states that the Antichrist's

homeland lies to the northwest of Israel—a region completely devoid of Arabic nations. Indeed, the principle of divine retribution requires that God take vengeance on a Roman Caesar, as payment for Rome's execution of Jesus in 32 A.D. and its destruction of Jerusalem a short time later. Here, in *The Islamic Antichrist Myth*, Charles K. Bassett examines fifteen of the most popular arguments in support of the Islamic Antichrist Theory, and patiently explains why each one is wrong. Once this myth is dispelled, says Bassett, the only logical conclusion is that the Antichrist must be a "Roman," and he must come out of Europe.

New York Times bestselling author Joel Richardson carefully explores what is arguably the greatest prophetic mystery in all of the Bible. *Mystery*

Babylon is an in-depth look at the prophecy of Revelation 17 and 18. Richardson dissects the longest prophecy in the New Testament the final chapters of the Bible in order to make sense of these deeply elusive and profoundly controversial passages. In his characteristically easy-to-understand style, Richardson works through the history of Christian interpretation of Mystery Babylon, weighing the strengths and weaknesses of each view, making a powerful case for a solution to this prophecy that will rock the prophecy world. Divided into three parts Mystery Babylon Richardson exposit Scripture in part 1, examines the more common positions in part 2, and invites the reader to a powerful conclusion in part 3. "
