Download The Question of Conscience: Higher Education and Personal Responsibility pdf books All of these qualities scale up, of course, but in differing ways. David Watson explores the question of what higher education sets out to do for students through a number of lenses, including the evolutionary stages of modern university history, the sense participants and observers try to make of them, and a collection of purposes, or intended personal transformations.

The Question of Conscience: Higher Education and
Personal ...

David Watson's *The Question of Conscience* is an ambitious albeit very concise study of the challenges and the possible ways to address them. It is also a study of the university from within, written by a person who has spent many years in the trade of running a university - something that primarily historical, sociological or other accounts of HE cannot offer.
