A friend of mine that I had long in-depth conversations about The Secret History with disagreed with me entirely about the pretension. Or rather, she agreed that the characters were pretentious, and then she told me that that was part of the point; she loved the characters precisely because of their deep insecurities, the things that led them to need to act in the ways they do.

As a family, we listened to The Secret History of Tom Trueheart on a long road trip. Usually we need breaks from our audio books, but this story entertained all ages from four to thirty-seven so well that we listened to the last four hours straight through. It is a good family book, either for listening or reading out loud.(We listened to the ...

Truly deserving of the accolade Modern Classic, Donna Tartt's cult bestseller The Secret History is a remarkable achievement - both compelling and elegant, dramatic and playful.'A haunting, compelling and brilliant piece of fiction' The Times'So irresistible and seductive it's almost a guilty pleasure' GuardianUnder the influence of their charismatic classics professor, a group of clever, eccentric misfits at an elite New England college discover a way of thinking and living that is a world away from the humdrum existence of their contemporaries. But when they go beyond the boundaries of normal morality their lives are changed profoundly and for ever.'Enthralling . . . image the plot of Dostoyevsky's Crime and Punishment crossed with the story of Euripides' Bacchae set against the backdrop of Bret Easton Ellis's The Rules of Attraction . . . forceful, cerebral and impeccably controlled . . . ferociously well-paced . . . remarkably powerful' The New York Times'Donna Tartt is an amazingly good writer. She's dense, she's allusive. She's a gorgeous storyteller' Stephen KingDonna Tartt was born in Greenwood, Mississippi, and is a graduate of Bennington College. She is the author of the novels The Secret History and The Little Friend, which have been translated into thirty languages, and The Goldfinch.

Donna Tartt, winner of the 2014 Pulitzer Prize for her most recent novel, The Goldfinch, established herself as a major talent with The Secret History, which has become a contemporary classic. Under the influence of their charismatic classics professor, a group of clever, eccentric misfits at an elite New England college discover a way of thinking and living that is a world away from the humdrum existence of their contemporaries. But when they go beyond the boundaries of normal morality their lives are changed profoundly and forever, and they discover how hard it can be to truly live and how easy it is to kill.

"Theroux's best novel in years." CHICAGO TRIBUNE MY SECRET HISTORY is Paul Theroux's tour de force. It is the story of Andre Parent, a writer, a world traveler, a lover of every kind of woman he chances to meet in a life as varied as a man can lead. From his days as an altar boy, to his job as a teenaged lifeguard, and then as a youth caught between the attentions of a beautiful young student and an amorous older woman. And as the boy becomes a man he turns his attention to writing, which brings him fame, and a wife, who may finally bring him to know himself. But not before he sets up his most dangerous secret life, one that any man might envy, but that could cost Andre Parent the delicate balance that makes him who he is....

There has long been a need for a scholarly English edition of the great 13th century historical epic, The Secret History of the Mongols, the only surviving Mongol source about the empire. The book is mainly about the life and the career of Chinggis Khan, his ancestors and his rise to power. Chinggis Khan was not only a military genius, but also a great statesman and diplomat. Through a combination of armed force and diplomacy, he managed to merge the complex system of alliances which existed between diverse tribes into a powerful confederacy that swept across most of Eurasia, starting in 1219. Urgunge Onon's fresh translation brings out the excitement of this epic with its wide-ranging commentaries on military and social conditions, religion and philosophy, while remaining faithful to the original text. This fully annotated edition is prefaced by a 36 page introduction setting the work in its cultural and historical context.

Dotyczy m. in. Polski.

Jonathan Black examines the end of the world and the coming of the Antichrist - or is he already here? How will he make himself known and what will become of the world when he does? - and the end of Time. Having studied theology and learnt from initiates of all the great secret societies of the world, Jonathan Black has learned that it is possible to reach an altered state of consciousness in which we can see things about the way the world works that hidden from our everyday commonsensical consciousness. This history shows that by using secret techniques, people such as Leonardo da Vinci, Isaac Newton and George Washington have worked themselves into this altered state - and been able to access supernatural levels of intelligence. This book will leave you questioning every aspect of your life and spotting hidden messages in the very fabric of society and life itself. It will open your mind to a new way of living and leave you questioning everything you have been taught - and everything you've taught your children.

By exposing the perversion, repression, corruption, and injustice at the heart of Justinian's regime, Prokopios' The Secret History destroyed forever that emperor's reputation as the great and benevolent ruler of a vast Byzantine state. Faithfully rendered here in blunt and idiomatic English, Prokopios' tell-all is as shocking today as it was in the sixth century. Kaldellis' substantial Introduction addresses, among other topics, the historical background to The Secret History; Prokopios' literary style and major themes; and the relationships between Prokopios, Justinian, and Empress Theodora. Maps, genealogies, a glossary, and a selection of related texts (including excerpts from Prokopios' Wars and Buildings and several contemporary documents) enhance and support the reading of this scandalous and suspenseful book.

"Jessi Kirby's books just keep getting better and better, and The Secret History of Us is her best yet. It beautifully touches on all the most important things in life—love, family, friendship, memory, and bacon. I loved it."—Morgan Matson, New York Times bestselling author of The Unexpected Everything In this gorgeously written, emotional novel that fans of Sarah Dessen will enjoy, a teenage girl must piece together the parts of her life she doesn't remember after a severe collision leaves her with no memory of the past four years. When Olivia awakes in a hospital bed following a near-fatal car accident, she can't remember how she got there. She figures it's because she was in a coma for a week, but as time goes on, she realizes she's lost more than just the last week of her life—she's lost all memory of events that happened years ago. Gone is any recollection of starting or graduating high school; the prom; or her steady boyfriend Matt. Trying to figure out who she is feels impossible when everyone keeps telling her who she was. As Liv tries to sort out her family and friends' perceptions of her, the one person she hasn't heard enough from is Walker, the guy who saved her the night her car was knocked off that bridge into the bay below. Walker is the hardened boy who's been keeping his distance and the one person that has made Liv feel like her old self...whoever that is. With feelings growing for Walker, tensions rising with Matt, and secrets she can't help but feel are being kept from her, Olivia must find her place in a life she doesn't remember living.

A compilation of rare works on the untold history and destiny of America by acclaimed occult writer Manly P. Hall. Writer and scholar Manly P. Hall (1901-1990) is one of the most significant names in the study of the esoteric, symbolic, and occult. His legendary book The Secret Teachings of All Ages has been an underground classic since its publication in 1928. The Secret History of America expands on that legacy, offering a collection of Hall's works—from books and journals to transcriptions of his lectures—all relating to the hidden past and unfolding future of our nation. Hall believed that America was gifted with a unique purpose to explore and share principles of personal freedom, self-governance, and independent thought. PEN Award-winning historian, Mitch Horowitz has curated a powerful collection of Hall's most influential and insightful works that capture and explore these ideas. Never before collected in one volume, the material in The Secret History of America explores the rich destiny, unseen
